

Striving and Thriving in the Academic World

CACSW Charge:

“To examine the issues regarding the status of women on this campus; to analyze existing policies, procedures, and /or programs that affect those issues; to serve as a coordinating body for groups or individuals concerned with the status of women at UCSF; and to recommend to me changes that will continue to afford women equal and fair access to campus programs and activities.”

Aims for the Day

Build a sense of community among Junior Faculty

Sharing stories of the unwritten academic world

Create bold ideas for future CACSW action

Striving and Thriving in the Academic World
